

HEART OF THE CLASSROOM

Heart of the Classroom is a student council created initiative to allow students to recognize and show appreciation to teachers that have made a difference in their lives. Each month a teacher will be recognized with the Heart of the Classroom award.

Teacher
Mr. Colby

In February, Xtreme Xploration was held to connect students with local professionals to explore post-high school opportunities.

Students engaged in mock interviews, employer panels, and a post-secondary and employment fair to gain real-world experience and career insights.

The School District of Marshfield thanks the local business leaders for their time and dedication to preparing students for college and career success.

BUSINESS & INFORMATION TECHNOLOGY STUDENTS MIX CLASSROOM LEARNING AND TRAVEL

Each year Mr. Treankler's students participate in real-world learning experiences in Computer Science and Human Geography via "Coach Bus Tours". This year our field study included a visit to Epic Systems Corporation in Verona, where students explored a cutting-edge, sustainable workplace, and to Madison's iconic State Street and the UW Madison campus.

The trip provided valuable insights into urban and rural land use, software development, employee recruitment and retention, and sustainability practices, blending education with exploration.

The Wizards Academy aka Harry Potter themed campus and Deep Space Middle Earth were among our favorite stops on our adventures throughout Epic's Intergalactic Headquarters.

FORMER PROJECT SEARCH STUDENTS LAUNCH 'CAREERPASS': STUDENT-LED GAME NOW PUBLISHED NATIONALLY

Anne Dick and Project Search students from 2 years ago created and published a game called CareerPass that just came out. This student led project came along so well, that the national Project Search group supported moving this toward publication.

Here is a link for the game.

On Friday, February 7th, students and staff had the privilege of hearing from Eric Hansotia, a 1986 graduate of Marshfield High School and former Marshfield FFA President. Eric spoke to students about leadership, key college and career readiness skills, as well as the current growth and advancements in the agriculture industry. Currently, Eric serves as the Chairman and CEO of AGCO, a company ranked 295th on the Fortune 500 list and one of the largest agriculture companies in the world.

LIGHT UP THE FIELDHOUSE RAISES \$4,000 FOR STUDENT SUPPORT FUND

On January 9, the Marshfield Community came together to celebrate the inaugural Light Up the Fieldhouse event at the MHS Fieldhouse. This student-created initiative took place during the Boys and Girls Basketball doubleheader against SPASH.

Thanks to t-shirt sales, generous donations from local businesses, and contributions made during the event, we successfully raised nearly **\$4,000!** These funds will establish a local angel fund to support high school students facing medical crises and assist those dealing with lunch account debt.

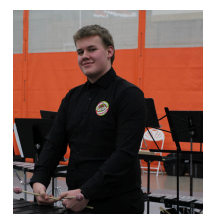

The evening was a tremendous success, and we are excited to make this an annual tradition!

Marshfield High School's MCLA completed Kindness Week with a Pour it Forward Event. High School students got free hot cocoa in the morning. The themes of gratitude, connections, encouragement and positivity were promoted. For a special treat, Student Council provided toppings for the hot cocoa! It was a great way to spread kindness!

UNITY IN MUSIC

February and March has brought wonderful performances by our music students and staff. The first ever Band-a-palooza was hosted on February 18th. This well-received concert brought students from grades 6-12 together to share in music and community with a public performance in the MHS Fieldhouse. (photos below taken by MHS photography students)

THE TRUE BEAUTY OF MUSIC IS
THAT IT CONNECTS PEOPLE.
- ROY AYERS

On Saturday, March 1st, the music department hosted the conference-wide Solo and Ensemble Festival. This event brought choral, orchestral, and band students from local area schools as far as Wausau and Stevens Point to perform for judges from the Wisconsin State Music Association.

Over 120 events from Marshfield students alone received top ratings of superior performance with half of those moving on to the state-level competition in May.

Way to go

SnowCo MHS Student Dance

January 18th the students at MHS were invited to attend the annual Winter dance. This year student council decided to add a light up dance floor to add to the excitement. Fun was had by all!
